

POKER RIDE open to the PUBLIC
Saturday, September 7, 2019
Alderfer Three Sisters Open Space
Evergreen, Colorado

Get on your horse and ride!

Help the Buffalo Bill Saddle Club and Intermountain Horse Association raise funds for **HARMONY EQUINE CENTER** while riding your horse through the meadow and forest of Alderfer Three Sisters Open Space.

We have arranged special parking on the field so this may be the one time you can be assured of a spot for your rig at this busy open space park.

Over the past 12 months Harmony Equine Center has received 225 starved horses from law enforcement. This is unprecedented for Harmony.

Communities are recognizing vulnerable and at-risk horses and are no longer accepting this type of neglect, and Harmony is helping more horses than ever.
